

**Local Emergency Planning Committee (LEPC)
Office of Emergency Management
Cuyahoga County**

CERT members,

The Chagrin/Southeast Hazmat Team and the Cuyahoga County Local Emergency Planning Committee (LEPC) are conducting a full-scale hazardous materials exercise on Saturday, May 21 from 9am-noon in parking Lot R at the Tri-C East Campus (4250 Richmond Rd, Highland Hills). A map of the location is located on the next page.

The full-scale exercise will simulate a semi-truck carrying a hazardous material involved in an accident on 271 near Harvard Road and Ahuja Hospital. We are looking for some actors to play victims. Some victims will be treated on-scene and others will be transported to local hospitals as part of the exercise. Our goal is 15-20 actors.

Registration will begin at 8am, with the exercise running from 9am-noon. Breakfast and lunch will be provided to all players, actors, etc. Anyone interested in participating can contact John O'Donnell at jpodonnell@cuyahogacounty.us or 216-698-2357.

Thank you,
John
