I. General Meeting Minutes

Date: 4/23/2014

Time: 7pm-8:15pm

Location: Cuyahoga Valley Career Center

A. General information

1. Melissa thanked everyone that participated in the Drug Round-up.

B. POD Review—Representatives from the Cuyahoga County Board of Health, Brecksville Police, Broadview Hts. Fire and Brecksville Fire Departments discussed the procedures we have in place for holding a “Point of Dispensing” event. Heidi from the Board of Health stated that no major changes have occurred in the process. She also stated that a full scale exercise will be held this July to test various aspects of the process including the availability of antibiotics for anthrax during an outbreak which should be as follows: 24 hours to get the medication from the CDC and 48 hours to get the pills to the public. Chief Egut also reviewed the CVCC building layout, traffic flow and lessons learned from the 2009 Influenza vaccination event. We then did a facility walk-through.

Respectfully Submitted, Sue Schindler
